

For Seniors, 60 and up who don't have dental health coverage, the Eagan Valley Dental Senior Wellness Plan now makes it simple and easy to give their teeth the highest level of care all year long. By paying a single, low annual fee, Seniors get peace of mind throughout the year that their teeth will be healthy and strong.

As we age, dental disease becomes more common, making regular professional care critical to maintaining healthy teeth and gums and to warding off issues both aesthetic and health related.

*Quality Care
& Peace of Mind*

Centrally Located...
Right in Your
Neighborhood

If You, or a Senior You Love...

- has no dental coverage or benefits
- has physical limitations making it difficult to brush and floss well
- takes medicines that can cause severe dry mouth leading to tooth and gum disease

Our program is simple and easy. No complex forms or changing government regulations to worry about – just quality care from professionals you can trust.

How the Plan Works

The Senior Wellness Plan is a new program from Eagan Valley Dental Center. Seniors 60+ pay a single \$250 annual fee and receive:

- Two cleanings per year (adult prophylaxis or periodontal maintenance)
- Two dental examinations per year (including the initial comprehensive exam valued at \$62)
- All x-rays including full mouth series, decay detection and emergency care
- And a 15 percent discount when you pay for your treatment at the time of service. Including crowns, bridges, periodontal root planing, fillings, bleaching, dentures, root canals and other major dental work

Patient Comfort and Care Comes First

Eagan Valley Dental is proud to have been a part of the Eagan community for over 20 years. We specialize in family practice and treat all patients, from the very young to the young at heart, as individuals, with individual needs and concerns.

Our newly remodeled office is warm and inviting, as is our welcoming staff of friendly dental professionals. From a new patient's first call through their entire appointment we want our patients to feel safe and cared for.

We get to know our patients and their concerns, and are happy to answer questions and provide any information they need. For those who wish to know more before participating, we welcome you to tour our office and meet our friendly staff.

Who Can Participate?

Seniors, 60 years of age and up, can be eligible for the Senior Wellness Plan. The only requirement is that they not be enrolled in any other dental health insurance program.

Finally, Seniors and their families can be assured that their dental health is affordable, safe, painless and worry-free for one low yearly fee.
